THIS publication is issued under the authority of a vote passed by the NEW ENGLAND HISTORIC GENEALOGICAL SOCIETY, November 6, 1901, as follows:

Voted: That the sum of $20,000, from the bequest of the late Robert Henry Eddy, be set aside as a special fund to be called the Eddy Town-Record Fund, for the sole purpose of publishing the Vital Records of the towns of Massachusetts, and that the Council be authorized and instructed to make such arrangements as may be necessary for such publication. And the treasurer is hereby instructed to honor such drafts as shall be authorized by the Council for this purpose.

THE TOWN OF STOW, Middlesex County, was established May 16, 1683, prior to which time it was known as a plantation between Concord and Lancaster called Pompositticut.

April 12, 1717, bounds between Stow and Concord were established.

December 29, 1730, part of Sudbury was annexed to Stow.

June 29, 1732, part of Stow was included in the new town of Harvard.

February 25, 1783, part of Stow was included in the new town of Boxborough.

July 11, 1783, bounds between Stow and Marlborough were established.

Population by Census: 1765 (Prov.), 794; 1776 (Prov.), 915; 1790 (U.S.), 801; 1800 (U.S.), 890; 1810 (U.S.), 885; 1820 (U.S.), 1071; 1830 (U.S.), 1220; 1840 (U.S.), 1230; 1850 (U.S.), 1455; 1855 (State), 1485; 1860 (U.S.), 1641; 1865 (State), 1537; 1870 (U.S.), 1813; 1875 (State), 1022; 1880 (U.S.), 1045; 1885 (State), 976; 1890 (U.S.), 903; 1895 (State), 920; 1900 (U.S.), 1002; 1905 (State), 1027; 1910 (U.S.), 1115.

EXPLANATIONS

1. When places other than Stow and Massachusetts are named in the original records, they are given in the printed copy.

2. In all items from town records the original spelling is followed, and no attempt is made to correct errors appearing in the records or to harmonize conflicting names or dates.

3. The various spellings of a name should be examined, as items about the same family or individual might be found under different spellings.

4. Marriages and intentions of marriages are printed under the names of both parties. When both the marriage and intention of marriage are recorded, only the marriage record is printed; and where a marriage appears without the intention recorded, it is designated with an asterisk.

5. Additional information which does not appear in the original text of an item, i.e. any explanation, query, inference, or difference shown in other entries of the record, is bracketed. Parentheses are used to show the difference in the spelling of a name in the same entry, to indicate the maiden name of a wife, to enclose an imperfect portion of the original text, and to separate clauses in the original text — such as the birthplace of a parent in late records.

6. In 1831 a copy was made of the first volume of records, which has since become defaced and mutilated. Items taken from this Town Copy are so marked.
